

## Caprese Bites

Toothpicks

Basil leaves

Cherry tomatoes, halved

Pearl sized mozzarella balls (perline), or mozzarella cut into bite-sized pieces

Extra-virgin olive oil

Trader Joe's Balsamic Glaze (or balsamic vinegar that's been boiled and reduced by half so it thickens)

Kosher salt

Freshly ground black pepper

Thread a toothpick through the base of a basil leaf, then a tomato half, then the mozzarella ball, and again through the other end of the basil. Repeat with remaining ingredients.

Arrange on a platter in an even layer. Cover with plastic wrap and refrigerate until ready to serve.

When you're ready, drizzle the plate with olive oil and the balsamic glaze. Then sprinkle with salt and pepper.
